

2. I claim the right for all the applications of sink electricity (operation of computers on three digits, operation of machinery)(design, production and sale)(design, production and sales of computers, machinery equipments and software and hardware)

Hanna Albert Awad

Date 21/11/2007

3.

I claim the right for the design , production and sales of chips, IC's, electronics (components and circuits), communication applications (cells, phones, satellite dishes and all kind of receiving equipments, etc...)

Hanna Albert Awad

Date

11/14/2009

00669221.112001

I claim the right for the design, production and sales of electrical equipments (cooling resistances,

capacitors, inductances and all electrical circuits, etc...) including the concept of the Y and delta circuits

with multiconnections (3,4,5,6, etc...delta and Y) and all its applications (design , production and sales).

[Signature]

Date 11/14/2001

[illegible]

I claim the right for the design, production and sales of floppies, CD's, TV's, stereos, radios, music

equipments (speakers, etc...), TV's and radio stations, broadcasting, all communication equipments,

ordinary phones (stations and distribution)cells, all electrical and electronic equipments, all applications

and accessories of computers (laptops, desktops, calculators, software, hardware, programs, etc...), and

all devices that receives related to sink electricity and which applies.
